NØG Special Event Station

In cooperation with the Museum Of The Kansas National Guard, Kaw Valley Amateur Radio Club is hosting a special event station on 12 June, 2021, coinciding with the Heartland Military Day event.

Operation will be SSB on or near 7.250 and 14.250 from 9.00a-5.00p CDT (14.00-22.00 UTC)

A special QSL Card can be obtained by sending an SASE to our callbook address, and a donation of \$1 to offset event expenses would be greatly appreciated.

From the Museum's website (<https://www.kansasguardmuseum.com/>)

The Kansas National Guard Museum will be hosting its annual Heartland Military Day on June 12, 2021.

There will be a pancake breakfast followed by a day packed with military equipment displays Civil War and World War Two reenactments, live bands and a noon cookout.

There will be military vehicle rides courtesy of the MVPA and a silent auction.

Please join us for a day of comradery as we commemorate the service of thousands of Kansas National Guardsmen.

Also on site will be the Remembering Our Fallen exhibit, which is a tribute to the 5000+ American lives given in the Global War On Terrorism since 9-11. It is a series of panels with photos of those who've given the ultimate sacrifice.
