Topeka, Kansas

NØG Special Event Station

In cooperation with the Museum Of The Kansas National Guard, Kaw Valley Amateur Radio Club is hosting a special event station on 08 June, 2024, coinciding with the Heartland Military Day event.

Operation will be on SSB from 9.00a-2.00p CDT (14.00-19.00 UTC) around 14.275MHz +/-.

A special QSL card can be obtained by sending an SASE to our callbook address. A donation of \$1 to offset event expenses would be appreciated.

From the Museum's website (<https://www.kansasguardmuseum.com/>)

The Kansas National Guard Museum will be hosting its annual Heartland Military Day on June 08, 2024. The showcase will be an outside exhibit commemorating all of the Servicemembers who have passed.

On June 08, there will be a pancake breakfast in the morning followed by a day packed with military equipment displays Civil War and World War Two reenactments, live bands and a noon cookout. There will be military vehicle rides courtesy of the MVPA.

Please join us for a day of comradery as we commemorate the service of thousands of Servicemembers.

Changes or updates can be found at our special event webpage
